VOICE MAIL USER GUIDELINES

Voice mailbox management is the responsibility of the user. The listed items should be used and reviewed on a regular basis.

- Review current messages and discard in a timely manner
- Respond to voice mail messages promptly (within 2 hours is recommended)
- Encourage callers to leave detailed messages, not just their name and number
- Take the time to update and review your personal greeting, reflecting your current location, meetings, sick time, vacation, etc.
- When out of the office, check your voice mail on a regular basis.
- Change your password periodically for security and privacy
- To bypass a mailbox greeting and go immediately to a record tone, press the # key.
